In the Matter of:

THE APPLICATION OF GARRARD COUNTY)
WATER ASSOCIATION, INC.'S PURCHASE) CASE NO. 2008-00109
WATER ADJUSTMENT REQUEST)

ANSWER TO FILING DEFICIENCIES OF MARCH 31, 2008

1. Filing deficiencies pursuant to 807 KAR 5:001: Section 3 1. Satisfactorily completed application form.

The Association respectfully submits the following information found in this response to complete the Purchase Water Adjustment request.

Filing deficiencies pursuant to 807 KAR 5:001: Section 3 3. Copy of supplier's notice of the changed rate and effective date.

The Association respectfully requests a deviation of this requirement due to the lack of formal notice that were not provided by both the Cities of Danville and Berea.

Filing deficiencies pursuant to 807 KAR 5:001: Section 3(1). Application must contain information analysis sufficient to determine the accurateness of the calculations of the PWA.

Due to the lack of formal notification from both the City of Danville and the City of Berea the Association has included in this response the prior twelve (12) months purchases from each supplier. The monthly break down in purchases provides further clarification of the accurateness of the calculations of the PWA. The Association submits this additional information in the form of Attachment 1 – WATER PURCHASES FROM THE CITY OF DANVILLE, MARCH 2007-FEBRUARY 2008. The Association also submits Attachment 2 – WATER PURCHASES FROM THE CITY OF BEREA, MARCH 2007-FEBRUARY 2008.
